FOUR STRATEGIES FOR LANDSCAPING IN THE SOUTHWEST

 LandscapingNetwork.com

A PHOENIX LANDSCAPE
SHOULD BE COMFORTABLE,
DESIGNED FOR YEAR-ROUND
USE, HAVE A BOLD
AESTHETIC AND RESPECT THE
LOCAL CLIMATE AND STYLE.

Create Comfort

OUTDOOR SPACES SHOULD BE ORGANIZED IN A SIMILAR FASHION TO INDOOR SPACES. THERE SHOULD BE HALLS AND ROOMS WHICH ARE TRANSLATED INTO PATHS AND TERRACES IN THE GARDEN. I OFTEN SEE OUTDOOR SPACES WHICH ARE AMBIGUOUS IN DESIGN INTENT, THAT CREATES A FEELING OF UNEASINESS.

Plan for Year-Round Use

A POOL IS A GREAT WAY TO ESCAPE PHOENIX'S SUMMER HEAT, BUT DON'T FORGET ABOUT THE DESERT CHILL THAT CAN SET IN DURING THE WINTER. INCLUDE A FIRE FEATURE FOR ADDED WARMTH.

SUMMER

Be Bold

LOOK FOR COLORS THAT ARE VIBRANT, YET SERENE AND HARMONIZE WITH THE NATURAL ENVIRONMENT.

Add Local Flavor

TO CREATE A LOOK THAT IS APPROPRIATE TO THE LOCAL SURROUNDINGS WE USE NATIVE TREES AND PLANTS AS WELL AS MATERIALS THAT RESONATE WITH THE SOUTHWESTERN STYLE.
